

IT WORKPLACE MANAGER F/M/X

The publicly listed Semperit AG Holding is an internationally oriented group of companies that develops and manufactures polymer products and sells them in over 100 countries worldwide with its two divisions, Industrial Applications and Engineered Applications. The Industrial Applications division focuses on industrial applications with highly efficient production and cost leadership; they include hydraulic and industrial hoses as well as profiles. The Engineered Applications division comprises escalator handrails, conveyor belts, cable car rings, other engineered elastomer products as well as the Rico Group and focuses on customised technical solutions. The traditional Austrian company was founded in 1824 and is headquartered in Vienna.

Join our IT team and play a crucial role in the strategic and operational management of all company IT user devices, desktops, and peripheral devices. If you're ready for a dynamic role involving user account creation, access control, software testing and deployment, and the implementation of security protocols, apply now as:
